Transition Challenge 4
Sacred Space

Y6 TRANSITION CHALLENGE 28TH JUNE

The SNCHS Sacred Space Challenge

At St Nicholas Catholic High School we take time every day to come together in a time of reflection and prayer. This is called Sacred Space and takes place every morning at the end of form time.

We know that in your primary schools you have also been celebrating through prayer and reflection and we thought that your ideas for prayer could be the start of the new Year 7 Prayer folder. We would love to see your prayers and prayer spaces for a whole range of intentions – they might be for school, for family or for the world. They may be in a poem or an acrostic or an illustration. You could even include instructions for a symbolic prayer – for instance using stones or stars. Or, design a prayer space that we could use in form time. We would love to see all your ideas.

This week your Challenge will be the SNCHS Sacred Space Challenge

1. Write, draw or explain your prayer moment, include when it might be used (time of year or special circumstance)

Email your pictures or online entries to transitions@st-nicholas.cheshire.sch.uk by **Monday 5th July 9am.**
