

The Trust-e Cashless Catering System provided by Nationwide Retail Systems Limited will now be used by our catering team.

This System will reduce queues at lunch time, provide anonymous free school meals to pupils and allow monies to be pre-paid for dinner money.

We anticipate that the system will "Go Live" on the **21<sup>st</sup> April 2015**

Further information on the system provided by Nationwide Retail Systems Limited can be found at [www.nrsLtd.com](http://www.nrsLtd.com)
