September 8th 2017

Dear Parents and Carers

As the Advent Term begins, there is once again much to celebrate and much to look forward to in the year ahead.

We offer congratulations to our students from 2016-17 on their excellent examination results and wish them every success and blessing as they embark upon the next chapter in their educational endeavours.

We of course welcome our Year 7 students to the St Nicholas family. After many weeks of waiting, their first day at St Nicholas finally arrived on Wednesday and I am glad to say that the newest members of our community have already settled in to their new Form Classes and have made an excellent start to their first year at the school.

I am delighted to report a number of exciting improvements that have taken place over the summer holidays here at school. Both sets of Changing Rooms in PE have received extensive re-development including new wet areas, showering facilities, lighting and ventilation alongside the complete refurbishment and redecoration to the changing areas themselves with new flooring, benching and decoration. Through consultation with students, our Sixth Form Centre has also had its Common Room completely re-designed with new Wi-Fi access installed coupled with the provision of new and improved furniture and food opportunities for our Sixth Formers. We have also begun Phase 1 of our substantive strategic ICT plan which will be rolled out over the next two years. Much of the summer work has involved 'behind the scenes' re-development of our network and internet provision in preparation for Phase 2 in the new year. Finally, we have returned to a fresh looking School Hall this week, completed with artwork chosen by the students to reflect our distinctive nature as a Catholic school community.

Evidence continues to show that attendance at school is clearly one of the most important factors in ensuring that pupils excel academically, socially and spiritually. I would once again like to remind you of our policy surrounding term time absences, and ask that medical & dental appointments are taken outside of school hours where possible.

We look forward to the launch of our regular weekly newsletter before the end of September which will keep you up to date with everything that is happening here at St Nicholas and following a consultation last term, we will be looking to bring you our new and updated website in October.

As we continue our school improvement journey together, I am very interested to hear the views of students, parents and carers on all aspects of school life here at St Nicholas.

Building upon the success of our first Parent Focus Group during the summer term, this year we are looking to run half-termly meetings looking at a variety of topics as suggested through your feedback from Parents' Evenings and other forums. Our first discussion this year will focus on 'Assessment' and will take place on Thursday 12th October at 6pm. If you are able to attend, then please let us know via an email to; admin@st-nicholas.cheshire.sch.uk

We look forward to another successful year ahead, and I thank you as always for the support you offer to the St Nicholas community.

Yours sincerely

Richard Woods
Headteacher
