Letter for Year 10 2015 - 2016

July 2015

Dear Parents and Carers

As you will already be aware, the grading system for GCSE awards for English and Maths is changing. When they have completed their course, your child's GCSE results for these subjects will be awarded as a number from 9 to 1 replacing the A*-G. All other subjects will still be given a grade A*-G.

Within this letter I have inserted a leaflet which indicates what that number would equate to with regard grades

As a result of these changes, the tracking and monitoring system will change to reflect this and will look more like this:

Student X

	FFT Target	Term 1.1
English	7	7
Maths	6	6
Art	B	B
Business	B	C
English Literature	A	A

We appreciate that these changes are new, however, our aim is to ensure that a student reaches their full potential throughout their time in Key Stage 4.

There will be a meeting about all the changes in September but please feel free to contact me with any questions,

Yours sincerely

Mrs C McKeagney
Assistant Headteacher
