

9th October 2015

Dear Parents

We want all our students to learn the balance between work and play. In order to encourage this, we have listened to our students and from Monday 12th October we will be allowing our Year 12 students to sign out during their study periods if they choose to go off site.

This privilege is given on the understanding that they are using their time wisely and are following the system correctly. If any student fails to recognise this then the privilege will be rescinded.

I hope you can support this decision.

Yours sincerely

A handwritten signature in cursive script, appearing to read 'C McKeagney'.

Mrs C McKeagney
Assistant Headteacher
