Letter for Year 9 2015 - 2016

July 2015

Dear Parents and Carers

As you may already be aware, the grading system for the way students are assessed and monitored is changing due to educational reforms. This will mean that the way we report on our students' progress through our tracking and monitoring system will be different, however, whilst this will be visible in some year groups, it will have no impact for our current Year 8 students as they move into Year 9.

The tracking and monitoring system will remain the same where teachers will decide whether your child is on target to achieve their target level or not.

We wish them every success as they embark upon this significant year.

Yours sincerely

Mrs C McKeagney
Assistant Headteacher
