celebrating uniqueness and diversity.

Our learning, within an enterprise culture,
is based upon trust and respect which define

Everyone Matters

RATIONALE

All children should have the opportunity to benefit from their education. Non-attendance at school, even for short periods of time, can have a detrimental effect on children's future opportunities by limiting their educational experiences. St Nicholas Catholic High School recognises its role established in the mission statement, to ensure good patterns of attendance which will enable every child to fulfil their potential.

PURPOSES

1. To ensure that DfE regulations regarding attendance, absence and punctuality – and school interpretation of the same – are clear for students, parents/carers and staff.
2. To encourage maximum attendance at school so that students can capitalise on their entitlement.
3. To ensure that parents/carers understand the school's expectations in the case of unavoidable absences.
4. To promote an appropriate climate, in conjunction with the behaviour policy, this will encourage attendance of above 96%.
5. To minimise unavoidable absence.
6. To recognise the detrimental effect of absence on the progress and wellbeing of students.
7. To make clear to parents/carers that deciding whether an absence is authorised is the responsibility of the school.
8. To work in conjunction with the Safeguarding Policy and Procedures to promote the safeguarding of young people in our community.
9. To ensure a whole school, escalating response to improving attendance for all students.

GUIDELINES

1. The school will only authorise unavoidable absence. It will act quickly, and liaise with home, in the case of unexplained absence.
2. The school will seek to promote a positive educational environment, with a curriculum, appropriately differentiated, to include the needs of each child.
3. The school will monitor patterns of absence and lateness and liaise with home in cases of concern. School will liaise with the Education Welfare Service or other partner agencies where appropriate.
4. The importance of attendance at school will be emphasised in the PSHCE programme, parents' evenings, the school planner, academic information sent home and be promoted around the school.
5. Attendance rates for forms will be reported weekly via the school newsletter. The school will monitor attendance to identify groups and individuals with irregular attendance. Appropriate action will be taken to improve attendance utilising the support of the Education Welfare Service where appropriate.
6. Students should only be absent if the reasons are unavoidable. Allowing a child to be absent without good reason is against the law. Unauthorised absences are those which the school does

not consider reasonable. The school may refer to the Education Welfare Service (EWS) at the Local Authority when dissatisfaction is felt with a student's attendance record or when parents are yet to engage with the school.

7. If planned absence from school is required, the request must be made **in writing** at least 1 month before the proposed date of absence. Previous attendance of student may be considered when deciding whether to authorise the absence. School may seek further evidence to support such an application.
8. School will seek to support students' out of school commitments in relation to sporting, dramatic or work experience related activities by awarding an appropriate out of school learning code (please see DfE guidance on [Working together to improve school attendance, May 2022](#))
9. The Headteacher / Assistant Headteacher is authorised to refuse permission for any planned leave of absence in term-time in line with government and Cheshire West and Chester guidelines. **Leave of absence may only be granted in exceptional circumstances in line with Government regulations. Should a Parent/ Carer decide to take a holiday during term time they must apply in writing to the school explaining the exceptional circumstances for the leave of absence.** Parents / carers can be fined by the Local Authority for taking their child on holiday during term time without consent from the school. The fixed penalty notice is £60 per parent per child if paid in 21 days and increases to £120 if paid within 28 days.
10. The school recognises the difficulties presented by the non-arrival of provided transport. In such circumstances, a flexible approach to lateness is adopted.
11. The school operates an electronic lesson registration system to minimise the potential of post-registration truancy.
12. The school recognises its legal duty to publish absence figures to parents, and to promote attendance. This is done via the tracking and monitoring information and the academic reports sent home via the student. Form attendance is also reported via the school newsletter.
13. The school is currently uses the Edulink phone app to allow parents to engage with reporting of absences.
14. Good attendance will be recognised and rewarded via form time and assemblies.
15. Parents failing to notify the school of absence will have 5 school days from the absence to do so before it becomes unauthorised.
