# School/Home Partnership Agreement

In partnership, the School and Home will each seek to support the development of each student. As a part of this joint commitment the School declares its intention to:

- provide a Catholic education suited to the student's age, ability and aptitude, and encourage a full and active part in all aspects of school life;
- provide parents/carers with regular information regarding progress, achievements, attendance and punctuality, alerting parents to any concerns or problems the school has;
- set, mark and record homework according to the published Homework Timetable for each student;
- keep parents/carers informed about school activities through regular correspondence;
- provide a student diary which will lay out expectations for students and parents;
- expect the student to keep to the Code of Conduct;
- regularly use the Student Diary as an important means of communication with parents/carers;
- provide, on request, copies of particular school policies not published in the school website.

As part of this joint commitment the Parent/Carer declare their intentions to:

- encourage the students to make the most of his/her abilities and the opportunities offered by this Catholic School;
- ensure good attendance and punctuality in support of the School Attendance Policy, informing School immediately of any difficulties, and will attend the school as appropriate;
- support the School Homework Policy and provide the best possible conditions at home for its pursuit and completion;
- support the school in insisting the student adheres to the 'Code of Conduct';
- attend Parents' Evening and other discussions as necessary;
- recognise the importance of the Student Diary as a source of information about School policies and procedures and a means of communication. Accordingly, parents/carers regularly refer to, use, inspect and sign the Diary;
- support the School's policies as published in the Student Diary and elsewhere and will seek further information about policy and procedure if/when in doubt.

The policies, practice and procedures of St. Nicholas Catholic High School all have their root, and find their justification in, the School Mission Statement.

The School recognises, additionally, the overwhelming importance of the mutually supportive roles of the Parents/carers, Student and School in the pursuit of the realisation of the aims, objectives and values summarised in the Mission Statement.
