

The live date for the new Cashless Mifare Card System is Tuesday 21st April 2015

March 2015

Dear Parent/Carer

We are pleased to announce that our Cashless Catering Mifare Card System will be installed in April 2015. The new system will enable us to continue with the development of the school meal service.

We will commence operating this system on **Tuesday 21st April 2015** and as such no cash will be accepted at the till points after that date.

Any amount of money can be paid onto a pupil's card, and any money spent on food and drink will be deducted on a daily basis.

A daily spend limit of £5 will be programmed into the system. This can be increased or decreased for an individual student by making a written request to the School Finance Office.

Should you forget to top up your child's card there will be a machine located in school which will accept cash or you can use your nearest PayPoint shop.

If you would like to learn more about the Cashless Catering Mifare Card System or ParentPay there will be an information evening on **Tuesday 31st March 6.30-8.00** to answer any further questions.

Yours sincerely

Mr K Kelly

Head teacher
