

Our Community is Opening

Spring Edition

St Nicholas Catholic High School embraced Virtual Learning

What a Successful week

Well done for such an amazing start following the half term break. We hope you enjoyed spending time with your families and completing the Learning Mentor challenges set by the team – there's been some great responses. We appreciate how the news from our Prime Minister Boris Johnson may have had a negative impact on your wellbeing. To help reassure you, this week and next week's Newsletter include images of the school. This week you will see your Canteen – Mrs. Sandbach and the team and really looking forward to welcoming you back and providing you with some amazing food. You will also see the front of your school. We are still here, and the school is looking just like it did before Christmas, albeit with some sunshine as we enter Spring'. Included is a picture of the main school yard too. If there are any specific areas of the school you wish to see in next week's Newsletter, please email Mr. Evans a.evans@st-Nicholas.Cheshire.sch.uk. Remember your Form tutors, Year Leaders and the Learning Mentor team are available should you have any questions, or worries. Your not alone in how you are feeling and together we will get back to being together again as a Community here at St Nicholas.

Our School Community

Learning Mentor Challenges

24 Tell a loved one about their strengths that you value most

25 Thank three people you feel grateful to and tell them why

26 Give positive comments to as many people as possible today

27 Call a friend to catch up and really listen to them

28 Make uninterrupted time for your loved ones
