

Happy Easter!

Easter Edition

Celebrating Easter.

Celebrations this week.

We are excited that we are finally at the Easter Holidays. What an excellent half term we have had here in school. It's been totally different than what we are used to but it's been great to have our community back together.

The Learning Mentors have been working with Years 7, 8 and 9 during lunchtime to create Easter Gingerbread biscuits. It was great to see students taking part and supporting one another. We have picked three pictures to be shared on our Newsletter this week of some of the designs – students really enjoyed designing their biscuits, and of course the best part eating them!

It's been a year like no other for staff, students and parents alike – Please take this time to recuperate and relax, spending time with your loved ones.

We hope you have a lovely Easter and we look forward to seeing you for the Summer term.
