Mission Day at St Nicholas Catholic High School. Thursday 1st July 2021

Our school Mission is to guide our young people in their spiritual formation as well as striving for academic excellence.

Our upcoming Mission Day will include year group specific experiences. Each Year Group is aligned to one of our Form Saints and includes a verse that supports the ethos we wish all students to experience during the day.

All experiences are a vital area of learning to enhance our students' all-round wellbeing and to encourage them to develop as individuals in an increasingly global society.

The topics covered on the day will include statutory requirements described by the Department of Education as well as others that our young people have requested themselves.

The day is designed in response to student feedback from the citizenship days of 2017-18 & 2018-19 and is centred on the rights and responsibilities we all have as citizens of the UK and the wider world.

There are some sensitive topics that our young people may have been impacted by in some way, but our staff will deal with issues sensitively and with the care you would expect from St Nicholas. Learning Mentors will be available for students to speak to if they feel the need.

I enclose an overview of the day for each year group below and if you feel there is anything your child may have difficulty with, please contact their Year Leader in the first instance.

The day follows the normal school day for timings and students are expected in full school uniform as normal.

Yours sincerely

Mr N Wallace
Assistant Headteacher
