

Transition Challenge 2

Y6 TRANSITION CHALLENGE 14TH JUNE

Do you know your school badge?

What the symbols mean...?

Task

We are proud of our St Nicholas School badge and it helps us to remember and respect the community that we are a part of. Each section of the school badge represents part of our school ethos and part of who are as one community. The next slides explains what all of the part of our School badge mean.

This week I have a challenge for you that has 2 elements.

- 1. I would like you to create a model our school badge using recyclable items from your own household and garden.**
- 2. Designs your own St Nicholas School badge using all of the things you have learnt about our community in recent weeks.**

Email your pictures or online entries to transitions@st-nicholas.cheshire.sch.uk by **Monday 21st June 9am.**

We will share our 5 favourites on our School Twitter feed next week.

The sword represents our diocese of Shrewsbury- it is called the Shrewsbury Sword .

In 1403, King Henry IV and his son, Prince Hal (later to be Henry V) defeated the rebel forces of Henry (Hotspur) Percy at the Battle of Shrewsbury.

This is the type of sword that was used by both knights and foot soldiers and has stood as a symbol of loyalty and service for over 600 years.

The battle and the characters involved appear in

Shakespeare's 'Henry IV, Part 1'.

Grant Goodman as Prince Hal and William Elsmar as Hotspur

The school motto is in Latin – it means ‘Labour in all things’. It comes from St Paul’s letter to his friend, Timothy when he encourages Timothy in his mission of faith. It means that everything we do - whether it is our studies, our faith, our care for others or our hobbies - we should ‘work hard’ and we should do as well as we can.

The wheat sheaves remind us that we are part of the county of Cheshire which has three sheaves on its coat of arms.

Wheat is also a symbol of Jesus, who is the Bread of Life. We are reminded of this at the Eucharist when bread is offered up during Mass....

The capacity to learn is a *gift*; the ability to learn is a *skill*; the willingness to learn is a *choice*.

The Bible symbolises the Good News of Jesus Christ. We use the words of scripture to create our weekly themes. The Bible is one way of helping us to live a good life but we have to open and read it to learn from it. It also shows that we intend to study hard whilst at St Nicholas...

Our patron saint is St Nicholas and there are lots of stories about how St Nicholas supported people in need, especially children. The 3 bags of money represent the money St Nicholas gave to the poor man & his 3 daughters so that they would be able to have a good life. We commit to follow our Patron Saint's example and be prepared to help those in need
