**Year 11- National Reference Test**

Dear Parent/Carer

St. Nicholas Catholic High School has been selected to carry out National Reference Tests in English and Maths. There is an additional letter attached to this which offers further information on the purpose of these tests.

The tests will take place on Wednesday 28<sup>th</sup> April Period 1,2 and 3. The room will be communicated to your child in form time on Monday 26<sup>th</sup> April.

As the letter explains there is no revision or preparation required for these tests. So please reassure your child they do not need to worry.
