

Slight change in GCSE and A Level Results Day arrangements

Dear Parents/Carers and Students

The JCQ (Joint Council for Qualifications) have released an update to schools advising the times from which they can release results from on both A Level results day (10th August) and GCSE results day (12th August). They have now given direction to all schools that results can only be released from 8:30am, not 8:00am as previously stated in our letters.

Therefore, please note that **school site will now be open from 8:30am not 8:00am for both A Level and GCSE Results Days Augusts 2021**. Also as a reminder to students coming into school, please can you ensure that face masks are worn when in the school building.

Yours sincerely

Mr T Bradley

Director of Sixth Form
