## IS THIS FOR ME?

If you're looking for a route into the property management industry with one of the UK's largest Residential Property Management companies, then read on!

We'll give you the training, experience and support you need, all while earning a qualification and getting paid.

## THE PROGRAMME

Designed to help you realise your potential and equip you with the knowledge and skills you need to become an expert in residential property management, this programme will give you exposure to different career paths within the industry.

You'll study towards a Level 3 Apprenticeship in Housing & Property Management over an 18 month period while gaining valuable hands on experience.

With 4-5 rotations planned you'll gain knowledge of our different business functions and quickly get to grips with the basics of residential property management. You'll work alongside a range of experienced colleagues who will support and mentor you to develop personally and professionally and help you find the career path that's right for you.

## WHAT WE'RE LOOKING FOR

We'd love to hear from you if:

- You have 5 GCSEs at grade 4 (C) or above and 2 A-levels.
- You're motivated to work and learn
- You're interested in property management
