## Sacred Space

---

Y6 TRANSITION CHALLENGE 5<sup>TH</sup> JULY

# The SNCHS Sacred Space Challenge

At St Nicholas Catholic High School we take time every day to come together in a time of reflection and prayer. This is called Sacred Space and takes place every morning at the end of form time.

We know that in your primary schools you have also been celebrating through prayer and reflection and we thought that your ideas for prayer could be the start of the new Year 7 Prayer folder. We would love to see your prayers and prayer spaces for a whole range of intentions – they might be for school, for family or for the world. They may be in a poem or an acrostic or an illustration. You could even include instructions for a symbolic prayer – for instance using stones or stars. Or, design a prayer space that we could use in form time. We would love to see all your ideas.

This week your Challenge will be the SNCHS Sacred Space Challenge

**1. Write, draw or explain your prayer moment, include when it might be used (time of year or special circumstance)**

Email your pictures or online entries to [transitions@st-nicholas.cheshire.sch.uk](mailto:transitions@st-nicholas.cheshire.sch.uk) by **Monday 11<sup>th</sup> July 9am.**

We will share our 5 favourite prayers in our Twitter page, and include more entries in the Year 7 Prayer folder.

## A Prayer of Thanks

Hello God,  
I want to thank you for  
giving me the ability to choose what is good.  
I'm happy today because I was  
tempted to call someone an  
unkind name because they hurt me.  
Instead, I walked away and said nothing.  
Help me in the future to resist temptations  
to do what is wrong.  
Thank you God who is good.  
Amen.
