## Rationale

A high standard of personal appearance is expected of all students. Any student at school in non-uniform clothing may be expected to wear items of uniform provided by the school for that day and / or be sanctioned according to the Behaviour Policy.

This policy is informed by Department for Education Publication: School Uniform Guidance for governing bodies, school leaders, school staff and local authorities (September 2013) and Cost of School Uniforms Guidance (November 2021). In the formulation of this policy, due regard has been given to the school's responsibilities under the Public Sector Equality Duty, further details of which can be found in Appendix A.

In competitive situations such as school fixtures, team practise and intra school matches it is essential that the recommended PPE is worn.

### **Haircuts and Hair styles**

The School recognises that changing hairstyles are part of everyday society. However, school is a learning environment for children and young adults who can be at a vulnerable stage of their life. As such, the School has decided that some styles are not appropriate at school.

The following haircuts and / or hair styles are not permitted at St Nicholas Catholic High School:

- Logos, styles or 'tram lines' cut or shaved into hair.
- Coloured hair dye with obvious differential from original colour.
- Fully shaven heads.
- Clear differential in hair across areas of the head.
- A cut shorter than a 'Number 2' on any part of the head.
- Hair extensions.
- Beads and / or other fashion hair accessories: this does not apply to religious and cultural symbols such as head scarves.

Hair covering the face should be tied back for health and safety reasons; hair bands and bobbles should be plain.

Parents or carers who have a concern regarding haircuts and / or styles not permitted for medical reasons, should always contact the school.

The School aims to be consistent in its approach to all students. An objective of this Policy is to be logical, clear, and demonstrate a consistent rationale that is applied fairly. The School will always aim to treat students fairly and consistently.

Details of the consequence for having a haircut and /or hair style that is not permitted can be found in the Behaviour Policy (Appendix One). The School will decide if further action is needed if the matter cannot be rectified in the short term. Parents / carers and students will be informed of any action being taken. A continued failure to meet the expectations is a deliberate and repeated defiance. Details of the consequence of this can be found in the Behaviour Policy (Appendix One).

Parents or carers who feel an approach is unfair or unreasonable, should always contact the School.

### **Additional Information**

To maintain the high standards of the school and its positive public image, the students are expected to wear an appropriate coat. Coats must not carry large branding, be made of leather or denim. Garments of any description which carry logos affiliated to any club are not permitted.

- The wearing of make-up/fake tan is not permitted in school
- Jewellery, accessories, or badges are not permitted in school. It is not acceptable to cover jewellery with a plaster and the item must be removed
- Nail varnish or any types of acrylic nails are not permitted

- Students are not permitted to have tattoos
- Coats and other outdoor clothing may not be worn within the school building
- Blazers must be worn at all times unless authorised by a member of staff
- School shirts must have an unbuttoned down collar appropriate for the wearing of a tie and capable of being tucked into trousers or skirts neatly
- Hooded tops are not to be worn and this includes travel to and from school. Students have the option of wearing a coat when outside the building or wearing a plain, black v-neck woollen jumper, underneath the school blazer

Final decisions on matters involving uniform, standard of dress and/or appearance, any decision is at the Headteacher’s discretion.

If you would like to check the suitability of an item before purchasing, please seek advice from the School.

## Appendix A

### Human Rights, Equality and Discrimination considerations

Some religions, cultures and beliefs require their adherents to conform to a particular dress code, or to otherwise outwardly manifest their belief. This could include wearing or carrying specific religious artefacts, not cutting their hair, dressing modestly, or covering their head. Students have the right to manifest a religion or belief but not necessarily at all times, places or in a particular manner.

Where the school has good reason for restricting an individual’s freedoms, for example, the promotion of cohesion and good order in the school, or genuine health and safety or security considerations, the restriction of an individual’s rights to manifest their religion or belief may be justified. The school will balance the rights of individual students against the best interests of the school community as a whole. Nevertheless, it should be possible for most religious and cultural requirements to be met within a school uniform policy and the governing body will act reasonably through consultation and dialogue in accommodating these. In formulating its school uniform policy, the school has considered its obligations not to discriminate unlawfully, including the concept of “indirect” discrimination.
